WHAT COULD BE IMPROVED?

Team Member	What could be improved?
Joshua	<ul style="list-style-type: none">- Communication approaching finals week dwindled on my end- I wasn't very consistent with updating stand-ups about halfway through the sprint- This last week felt very crammed, more active discussions about blocks and in-person meetings could've been beneficial
Haley	<ul style="list-style-type: none">- I could've scheduled my days better,

	<p>especially after the presentation. Without a clear plan, I didn't really get much work done, since I also was checked out.</p>
Allison	<ul style="list-style-type: none"> - After the presentation I feel like everyone checked out. I felt kind of alone working on hosting this weekend. - I don't think we had enough in-person work sessions as a team.
Githel	<ul style="list-style-type: none"> - This final week felt very crammed with other class deadlines approaching. I should have scheduled my time and communicated more often after completing Expo.
